Congratulations to Grade 5 students for their great assembly presentation on Thursday! Students worked together in groups to prepare skits focused on their PYP Exhibition topics.

Dear SCIS Families,

It is hard to believe we have only 9 weeks left in the 2017-2018 school year. There are several exciting and upcoming events this month and we would love to see many SCIS families participate in what will certainly be a variety of fun experiences.

Next **Friday, April 20th** will be the **Lower School Spring Concerts**. At 10:30am, Pre-Kindergarten, Kindergarten, and Grade 1 students will perform a collection of songs in a concert titled "Sing for Spring." Students are asked to wear their favorite Spring outfit for the show. At 1:30pm, Grades 2-5 will sing, dance, and play instruments in their spring concert titled, "Water Dance." For this concert, students in grades 2, 3, 4 and 5 are asked to

wear blue clothing. Students have the option of **wearing their concert clothes to school**, or they can change into their clothes prior to the performance. Both performances will take place in the Theater. Please join us as we celebrate the musical growth of our students this year. We hope to see you there!

Please note, that **all students are required to wear their SCIS uniform** to school each day, unless an exception has been made and communicated such as the upcoming Spring Concert. As a reminder, students should wear navy blue trousers, shorts or skirts and the light blue, long or short-sleeved SCIS polo shirt. On days the students have PE class, they should wear their PE uniform including appropriate footwear such as sneakers or sturdy laced shoes. Accessories such as hats, jewelry, watches, and costume related items should be kept to a

minimum as they often impact students ability to completely focus on their learning.

The Lower school Student Council will be hosting a **Spring Spirit Week** starting on Monday, April 23rd until Friday, April 27th. Please see the attachment below for more details.

There were **three successful parent education events** this week focused on understanding the PYP Exhibition, Learning through Play, and the Benefits of Multi-age Grouping. Next Friday, Grade 1 will host a Reading Workshop Open House from 8:10-9:40am in the Grade 1 classrooms. A BIG thank you to all parents for your continued support surrounding our curricular programs.

Happy Weekend!

Liz Gale
